BROKER COMMENTS

Presented in extraordinary condition having been maintained by a full time captain, this is undoubtedly the finest pre-owned Princess 75 on the market today. The experience and attention to detail of the owner is immediately evident throughout the yacht not only in the condition but also the specification.
Significant modifications such as the addition of the crew mess and Humphree Interceptor trim control are complimented by extremely well considered smaller additions such as tool box storage to the engine space, upgraded strainer casings and the fitting of a very impressive yacht monitoring system, to name but a few.
Recent updates include:

- 5 year engine service - completed March 2022
- Antifouled, polish and fully prepared for the season - March 2022
- All new exterior upholstery - March 2022

DISCLAIMER

In this case we are acting as Brokers only.
The Vendor is not selling in the course of a business. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract.
A prospective buyer is strongly advised to check the particulars and where appropriate at his own expense to employ a qualified Marine Surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability for such engine on our part.
