### TANKS

Water: 1 x 1124 l  
Fuel: 1 x 6000 l

### LOCATION

Beaulieu-sur-Mer, France

## INVENTORY

### BROKER COMMENTS

The Princess S78 represents a milestone in the evolution of Princess Yachts' acclaimed sportbridge range, and this 2022 example is a testament to the yard's reputation for performance, luxury, and style. Commissioned to the highest possible specification for Mediterranean cruising, she blends striking exterior lines with a light, contemporary interior that continues to turn heads in every harbour she visits.

Delivered new in 2022, this yacht has been lightly used, with the majority of her engine hours accrued through professional relocation voyages rather than extended owner use. In fact, the owner has only spent a handful of nights on board, making this the freshest S78 available on the market today.

A full-time captain has overseen her operation since delivery, maintaining her with diligence and meticulous care. This proactive approach, combined with consistent servicing by authorised providers, ensures the yacht is presented in immaculate condition, both mechanically and cosmetically.

This Princess S78 offers the rare opportunity to step into a virtually turnkey yacht that embodies the very best of the Princess design ethos: thrilling performance, open and spacious entertainment areas, and an interior crafted for both comfort and elegance. She is an outstanding prospect for any buyer looking to enjoy the Mediterranean in immediate style.
